

Preschool Fees Policy

I understand that my child will be charged for any sessions up until the term following his/her third birthday (or second birthday, if I have been granted 2-year funding and this 2-year funding has been confirmed and approved by Bitterne Community Pre School this also includes 30-hour funding codes).

Fees are expected to be paid promptly unless otherwise discussed with the Settings Senior team/admin officer.

If payment is not made we will remove all sessions and clubs that are not included in your government funding this includes hot dinners. You will also be charged a £10. Admin fee for paperwork we will need to undertake due to owing fees.

If you would prefer to spread the cost of paying your fees by paying either on a weekly or monthly basis, please talk to Tania (admin & finance officer) a payment plan will then be set up for you prior to your child starting with us.

When having any extra sessions outside your funded sessions you would have agreed to these terms
